CODE MUTANTS 2022

- There will be 6 or 7 questions with increasing difficulty level.

- The duration of the contest is 2.30 hrs.

- Participants will be ranked according to the most problems solved. In the case of ties, the rank will be given by the total time for each participant in ascending order of time.

- The decision of the organizers in declaring the results will be final.

- During a live contest, please don't share tips, suggestions, or strategies with anyone. (Participants can ask doubts about the problem in the discussion section)

- Any participant indulging in any form of unethical behaviour may lead to disqualification from the contest.

- The participants have to register for Code Mutants'22 to be eligible for the prizes.
